

Room Therapy

A new way with energizing fragrances

The Three Room Therapy Sprays

are bio-activated. They not only release natural scents in form of pure and some rare essential oils, but also bring vitalizing and harmonizing impulses into the room. Energies are «retuned» – the room receives a therapy and is put into optimized resonance. Each of the three room therapy sprays contains a specific energy/resonance pattern, customized with great care to match the ambiance, the mood you want to experience:

Harmony

- harmonizes room energies that are out of balance
- promotes pleasant, relaxing sensations

Bio-activated scent composition of magnolia leaf, lavender, coffee blossom

Vitality

- vitalizes the room
- generates new vigor
- increases the power of concentration

Bio-activated scent composition of lemon scented tea-tree, neroli (bitter orange blossom)

Secret Dimension

- addresses the meditative level
- supports inspiration and creativity

Bio-activated scent composition of ylang-ylang, magnolia leaf, karo karounde, mimosa

karo

The positive effects of the bio-activated Room Therapy Sprays are evenly reached at home, at work or in public areas.

Let us not forget the inescapable effect that scents have on us! They stimulate physical processes, and research has shown that scents also have a powerful impact on our psyche. Taking this aspect into consideration, the scent compositions of the Room Therapy Sprays have been created accordingly subtle.
